**About ASN**

The American Society of Notaries is the first national nonprofit association for notaries public in the United States. Established in 1965, the American Society of Notaries is foremost in education, support and supply for the notary in America.

We are a true nonprofit, with no for-profit subsidiary or shareholders. We are governed by a non-compensated, voluntary Board or Director with a passion for bettering the office of notary public.

This passion is also reflected in the work of our skilled staff members, who approach their many daily tasks with the desire to achieve excellence in every aspect of their work, and to ALWAYS put the notary first!
