## About ASN

The American Society of Notaries is the first national nonprofit association for notaries public in the United States. Established in 1965, the American Society of Notaries is foremost in notary education, support and supply for the notary in America. The Society offers members toll-free technical support, our informative newsletter, *American Notary*, nationwide online notary education courses, and a wide range of essential notary products deeply discounted for ASN members.

The American Society of Notaries is dedicated to providing its members with education, professional service and technical support; promoting high ethical standards; and increasing public awareness of notaries' valuable contributions.

## Members of the American Society of Notaries enjoy these great benefits:

- **Expert information and caring, personal service** on our toll-free members-only technical support line. When you have questions regarding notarial procedures, ethics, notary law, forms and notarial certificates, we're here for you with **state-specific** answers! Members also have access to our **Email Q&A** service.
- **The Society's newsletter, *American Notary*.** Straight-talking, informative articles on the notary issues that interest you - that's what you'll get with our ***American Notary*** newsletter, published six times per year for members and industry friends.
- **Twice monthly email Hot Tips** that provide serious, nuts-and-bolts information on problems and issues that notaries face every day.
- **Full-service web site with members-only access** to a wealth of valuable information and discounted notary supplies as well as notary education courses. Log in as a member to shop for discounted notary supplies from our online store, browse the latest notary law updates, review our searchable FAQ's on notarial practice, and more!
- **ASN's Zip Code Search Notary Locator.** Our Notary Locator is regularly visited by individuals and companies throughout the United States. ASN members receive a free, basic Locator listing with their membership, as well as our expert staff's technical support on any notarial issue or question that arises.
- **State Law Updates.** ASN tediously tracks notary legislation in each state year round to keep our members apprised of their states notary laws. We notify our members of any changes via Email Alerts and for those that do not have an email address on file ASN prints law changes in the *American Notary* newsletter. All updates are also posted in the members-only portion of the web site for 24 hour access.

## ASN Education

ASN offers online state specific and "all-states" notary education courses at [www.ASNNotary.org](http://www.ASNNotary.org). Our copyrighted course content was developed by notary experts exclusively for the American Society of Notaries. All course content is reviewed and vetted by staff and Board members to ensure it imparts the highest standards of sound notarial practice. We also offer phone training in all states for employer groups. Call us today to ask about our corporate programs!
